

Driving Safely - The Facts

Running Time: 15 minutes

There is a lot more to driving a company car than meets the eye, it's not just about jumping in behind the wheel and getting from A to B, it's about being a good driver and being safe.

This title is ideal for any employee within your organisation who regularly drives a company car or is required to drive a vehicle during business hours.

This title covers:

- Hazard perception whilst driving
- The importance of planning your route
- How to remain safe whilst driving
- Useful tips for safe driving
- Highlights bad habits that drivers may have without realising

Training your employees in the importance of driving safely offers a number of benefits for the organisation, including the reduction of insurance premiums, maintenance bills and stress levels related to driving. Train your employees with this title to provide them with confidence needed to drive a company car.

This title also provides the viewer with tips when driving on a motorway including the important 2 second rule. It also discusses the importance of ensuring the vehicle is in sound mechanical condition and fit to drive before taken on a journey.

The pack comes complete with 50 Driver Assessment Forms and 10 Driving Safely Training Booklets.

"Overall, this is a very well presented package, and one with which it is difficult to find any substantial fault"

Safety & Health Practitioner Magazine

A twin pack DVD containing both Driving Safely and Driving Risk Assessment is also available at the discounted price of £199

Legislation:

The Video highlights legislation which concerns employers regarding the health and safety of their employees, whether they are in the work premises or in a company car.

The **Health and Safety at Work Act 1974** states that "all employers have a duty to provide and maintain a safe workplace".

While the **Management of Health and Safety at Work Regulations 1999** states that "every employer shall make a suitable and sufficient assessment of the risks to the health and safety of his employees to which they are exposed to whilst they are at work"

Relating Products:

The Training Booklets are ideal for anyone within your organisation who may drive a vehicle during business hours and is an ideal accompaniment to the Video.
