**DVD
ONLY £199**

The DVD also focuses on Environmental Aspects and Environmental Risk Assessment looking at Water, Land and Air concerns and how your business can affect them. The DVD identifies what control measures you can put in place to reduce the risks. The DVD covers drainage systems and the correct methods of dealing with spillages.

The pack comes complete with 50 Environmental Awareness Assessment Forms and 10 Environmental Awareness Training Booklets.

DVD EXTRAS: Fully printable Environmental Documentation.

Legislation:

There are a number of rules and regulations relating to the environment amongst those are:

- **The Environmental Protection Act 1990**
- **Landfill Regulations 2002**

Your company will need to comply with these laws or you could face stiff penalties and fines which will result in bad publicity.

Relating Products:

The Environmental Awareness Training Booklet provides the reader with information about the environment and how it affects your organisation. The Booklet covers the fundamental issues when considering environmental liabilities and your responsibility for protecting the environment. Further booklets can be bought with prices starting at £29.50 for a pack of 20 booklets.

The Environmental Awareness Assessment Forms will enable the user to identify and assess the environmental issues in your workplace. Further Assessment Forms can be bought for as little as £14.99 for a pack of 50 Forms.

Buy the DVD and when the title is updated in the future you can purchase an upgrade for only £70 (Plus P&P and VAT).
